CORONAVIRUS CUSTOMER INFORMATION UPDATE

Considering that on March 11th the World Health Organization (WHO) officially declared COVID-19 a pandemic and following the evolution in Italy of the epidemiological situation, the particularly widespread diffusive nature of the epidemic and the increase of cases within the national territory, the Italian Government, on March 12th deemed necessary to adopt further measures on the entire national territory regarding the containment and management of the emergency from COVID-19.

The enforcement of the “I stay home” decree is in place starting from today and the lockdown would be tightened, with all commercial and retail businesses except those providing essential services, like grocery stores and pharmacies, closed down.

Factories nationwide can still manufacture products, but will be required to adopt safety measures, such as regulating work shifts, allowing employees to take days off and closing all non-essential departments.

Taking into account the new safety protocols requested by the decree, besides the anti-contagion steps already in place, as a precautionary measure, Cedaspe S.r.l., in order to safeguard and guarantee maximum health and safety for its employees, announces its decision to stop all the activities till Sunday, March 22nd

We are extremely sorry for any inconvenience this situation might cause to you as our valued customers and partners, and we will take care of updating you about any further development of the situation: please follow our webpages <http://www.cedaspe.com/en/> and <https://www.linkedin.com/company/cedaspepower> which are constantly being updated.
